Hi Swati,
All of the Projector equipment will be there. You may want to bring your computer and a flash drive just in case.

Hi Swati -

Sorry for the delay. We have had a big conference this week.

Glad you can make it. You will have 10min with another 7 or so for Q&A. I think talking about the rules you mentioned and how BIDs can work with country health on curbing illegal vending (similar to what we are doing with you). People are also going to probably have questions about the city's proposed ordinance.

I believe we have AV hook up but I am including Rena Leddy who can confirm what equipment you need to bring.

Thanks,

Jessica Lall

Hello Ms. Lall,

My name is Swati Bhatt.

Mr. Ferdinand & I will be attending tomorrow's LA BID Consortium meeting on behalf of Ms. Shin and Ms. Lopez.
Please let us know:

- How much time we have for our presentation
- What do you want us to talk about – e.g. California Food Code requirements for Mobile Food Facilities (MFF), MFF approval process etc.

I would also like to know if you have an equipment for power point presentation.

Thank you very much
